**AN ACT NAMING THE FIVE (5) STATIONS OF THE LIGHT RAIL
TRANSIT – 1 (LRT-1) – CAVITE EXTENSION WITHIN THE
TERRITORIAL JURISDICTION OF THE CITY OF PARAÑAQUE**

EXPLANATORY NOTE

The Manila Light Rail Transit Line 1 (LRT-1) – Cavite Extension Project intends to extend the operations of the LRT-1 from its existing 20.7 kilometers by approximately 11.7 kilometers, to serve the Cities of Parañaque and Las Piñas to Bacoor, Cavite for the purpose of helping ease the traffic congestion in the said areas and improving commercial development around the rail stations. The Cavite Extension Project will add eight (8) more stations to the original LRT-1 Line and is expected to benefit more than one million daily passengers and reduce travel time between Baclaran, Parañaque and Bacoor, Cavite from one (1) hour and ten (10) minutes to just twenty five (25) minutes.

Per the Department of Transportation (DOTR), the LRT-1 Cavite Extension Project is more than halfway to completion as of July 2021 and it gears up for a 2024 commencement of operations.

This bill earnestly seeks to name the stations of the LRT-1 Cavite Extension within the City of Parañaque to help the commuters and the general public in identifying the actual and exact locations where the stations were constructed within the City.
