HOUSE BILL NO. 3947

Introduced by Representatives Daphne A. Lagon and Sonny L. Lagon

EXPLANATORY NOTE

This bill seeks to establish an extension office of the Land Transportation Office in the Municipality of Consolacion.

The Municipality of Consolacion is a first income class municipality in the Province of Cebu and a component local government unit of Metro Cebu. It is bordered on the North by the Municipality of Liloan, to the West by Cebu City, on the East by the Camotes Sea and on the South by the City of Mandaue. With a population exceeding one hundred fifty thousand (150,000) and locally-sourced income of more than half a billion pesos for the past several years, it is very likely to become a city in the next couple of years.

Without a Land Transportation Office in the municipality, vehicle owners and the general public who need to transact with the LTO for the registration or renewal of vehicles or drivers' licenses, do so at the LTO Mandaue City District Office or at the LTO District Offices in Cebu City and Danao City.

Being a booming residential and business center with a fast-growing population, it is ideal that an extension office of the LTO be established in the Municipality of Consolacion to cater to a growing clientele. It will definitely improve the accessibility of services of the Land Transportation Office for the benefit of the public at large.

In view of the above premises, the approval of this bill is earnestly sought and recommended.
