EXPLANATORY NOTE

The 5th District of Camarines Sur has a significant number of motor vehicle registrants and driver licensees. With 499,713 population as of the 2020 census, evidently, it has a growing clientele that the government must ensure is given with quality and swift public service.

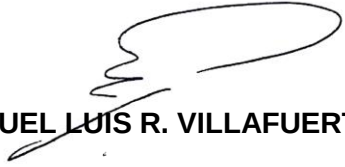

The province of Camarines Sur currently consists of thirty-six (36) municipalities and two (2) cities, with five (5) regular District Offices of the Land Transportation Office (LTO). These offices cater not only to clients from Camarines Sur but also those who are coming from Burias Island in the Province of Masbate and Municipality of Tagkawayan in the Province of Quezon, among others.

This bill seeks to create a regular Class "D" District Office of LTO in the Municipality of Nabua, Province of Camarines Sur. This bill intends to reduce the average transaction volumes in the existing district offices to effectively decrease processing time of motor vehicle registrations and driver's licenses. Also, a regular district office will not only benefit the residents of the district but also the clients coming from adjacent areas. This bill is also projected to hasten long-term development of the area through increased economic and social activity due to the creation of such LTO District Office.

In view of the foregoing, the approval of this bill is earnestly sought.

LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.
