House Bill No. 4447

### **EXPLANATORY NOTE**

Republic Act 7432, as amended by Republic Act 9994, targets to adopt measures whereby our senior citizens are assisted and appreciated by the community as a whole and to establish a program beneficial to the senior citizens, their families and the rest of the community that they serve, among others. As a form of support and appreciation to the senior citizens of our country, a further development in the privileges currently enjoyed by them is hereby being proposed.

Certain cities like Cebu, Manila, Muntinlupa and Quezon City have already passed ordinances exempting senior citizens from the payment of parking fees. However, the senior citizens who are enjoying this privilege in the said cities form a very minute part of the elderly population of the Philippines.

To this end, this Bill proposes to institutionalize the exemption from the payment of parking fees for the senior citizens all over the country. Furthermore, this Bill provides certain guidelines and restrictions for the effective implementation of said exemption from the payment of parking fees.

In view of thereof, the passage of this bill is earnestly sought.

A handwritten signature in black ink, appearing to read "Edwin L. Olivarez".
