HOUSE BILL NO. 4767

INTRODUCED BY REPRESENTATIVE ADRIAN MICHAEL A. AMATONG

EXPLANATORY NOTE

This bill seeks to separate the Bacungan National High School-Mangop Extension from the Bacungan National High School, and convert it into an independent national high school to be known as the Mangop National High School.

Bacungan National High School-Mangop Extension is located at Barangay Mangop in the Municipality of Leon B. Postigo, a fourth-class municipality in the Province of Zamboanga del Norte. Currently, it has 157 students from Grades 7-9, with more students expected to enroll in the succeeding years as it has three feeder elementary schools.

The separation of Mangop Extension from the Bacungan National High School is sought considering that it is five kilometers away from the nearest high school, making it the most accessible school for the constituents of Barangay Mangop and its nearby barangays. Moreover, its conversion as an independent national high school will provide it with more funds necessary for the construction of classrooms and employment of permanent teaching and non-teaching personnel.

It is also noteworthy that the separation of Mangop Extension from its mother school and its establishment as an independent school is recommended by the Schools Division Office of Zamboanga del Norte.

In turn, this measure will uphold the State's mandate under the Constitution to "protect and promote the right of all citizens to quality education at all levels" and to "take appropriate steps to make such education accessible to all."

In view of the foregoing, the approval of this bill is earnestly sought.
