HOUSE BILL NO. 4772

INTRODUCED BY REPRESENTATIVE ADRIAN MICHAEL A. AMATONG

EXPLANATORY NOTE

This bill seeks to convert the Sas Elementary School and the Gutalac National High School-Sas Extension into an integrated school, to be known as the Sas Integrated School.

Sas Elementary School and Gutalac National High School-Sas Extension are located at Barangay Sas in the Municipality of Gutalac, a second-class municipality in the Province of Zamboanga del Norte. Currently, Sas Elementary School has 141 students from Grades 1-6. On the other hand, Gutalac National High School-Sas Extension, which holds classes at the Sas Elementary School, has 79 students from Grades 7-8.

The conversion of Sas Elementary School and the Gutalac National High School-Sas Extension is sought considering that they are eight (8) kilometers away from the nearest high school. Thus, students who finished Grades 1-6 from Sas Elementary School need not go to other far high schools for their junior high school education. Moreover, the conversion of Sas Elementary School and Gutalac National High-School Sas Extension into an integrated school will provide them with more funds necessary for the construction of classrooms and employment of permanent teaching and non-teaching personnel.

It is also noteworthy that the conversion of Sas Elementary School and Gutalac National High School-Sas Extension into an integrated school is recommended by the Schools Division Office of Zamboanga del Norte.

In turn, this measure will uphold the State's mandate under the Constitution to "protect and promote the right of all citizens to quality education at all levels" and to "take appropriate steps to make such education accessible to all."

In view of the foregoing, the approval of this bill is earnestly sought.
