HOUSE BILL NO. 4817

Introduced by Representative Joseph Gilbert F. Violago

EXPLANATORY NOTE

This bill seeks to create a Technical Education and Skills Development Authority (TESDA) Training and Assessment Center in the Municipality of Rizal, Province of Nueva Ecija where the trainees shall be provided with education and training which will help enhance their skills and competencies in their respective field of interests. There shall be an assessment to each trainee as an assurance that each of them was able to grasp the knowledge and skills which shall help provide them job opportunities local or abroad.

The main source of income of the residents of Rizal is agriculture with rice as its main crop which is seasonal. Equipping the residents with knowledge and training in their chosen field of interest through TESDA will provide them an opportunity to be self-reliant especially in lean months.

At present there is only one TESDA accredited training center in Rizal, Nueva Ecija with a population of seventy thousand one hundred ninety-six (70,196) based on 2020 census of the Philippine Statistics Authority. It is a second-class municipality with twenty six (26) barangays in the 2nd District of Nueva Ecija.

Filipinos are best known as hard workers, resilient, patient, creative and resourceful. Given the right opportunity, Filipinos will stand out in their chosen career. Success stories of TESDA graduates can attest to this.

In view of the foregoing, the urgent passage of this measure is sought.
