HOUSE BILL NO. 5622

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

EXPLANATORY NOTE

To improve public safety and facilitate a prompt deployment of emergency services, former President Rodrigo Duterte issued Executive Order (EO) No. 56 in 2018. The EO institutionalized the Emergency 911 Hotline as the nationwide emergency hotline number which acts as a call and dispatch center linking people needing assistance to emergency resources of the government such as the police, firefighters, medical workers and rescue services.

By its very nature and purpose, calls accommodated by the Emergency 911 should only be for legitimate and immediate emergency concerns. There is no room for mischievous or malicious calls as the time spent in answering these prank calls may spell the difference in saving the life of someone in dire need of help.

To discourage such senseless acts, and to ensure proper operation of emergency services, this proposed measure aims to prohibit and penalize prank calling to emergency hotlines.

In view of the foregoing, approval of this bill is earnestly sought.

LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.
