House Bill No. 6711

Introduced by Representative Gabriel H. Bordado, Jr.

EXPLANATORY NOTE

This bill seeks to formally upgrade the Land Transportation Office (LTO) Naga District Office from Class "C" to Class "A".

Naga City is the most progressive city in Camarines Sur, with the second largest total population of 209,170 according to the Philippine Statistics Authority's 2020 census. Catering to the needs of the residents of Naga City and its nearby municipalities, the LTO Naga District Office has recorded the highest average revenue collection for the past three consecutive years in the entire Bicol Region.

LTO Naga District Office is currently classified as a Class C district office with a workforce consisting of only fourteen (14) plantilla positions. It provides Licensing, Registration, Adjudication, and Law Enforcement services.

Upgrading the classification of LTO Naga District Office into a Class A district office will result into an increase in plantilla positions to twenty (20) and thereby creating additional six (6) plantilla positions to its current personnel complement.

With the change in classification and the consequent addition of personnel, the clients from Naga City and its nearby municipalities will primarily benefit from an enhanced and more efficient public service and faster processing time of transactions. And in effect, higher revenue collection can be expected.

In view of the foregoing, the approval of this bill is earnestly sought.
