NINETEENTH CONGRESS
First Regular Session

House Bill No. 6721

Introduced By Hon. Francisco Jose “Bingo F. Matugas II

Explanatory Note

This bill seeks to convert the circumferential road covering the nine (9) island barangays in the Municipality of Dapa, Surigao del Norte, from barangay road to national road. The island barangays involved are Bagakay, Cabawa, Dagohoy, Montserrat, San Miguel, Sta. Felomina, Consolacion, San Carlos, and Buenavista.

The conversion will greatly improve the economic and social living conditions of the communities traversed by said road because it is used heavily to transport agricultural products. It is also used to reach various tourist attractions and destinations. For this reason, the Municipality of Dapa has requested this representation to seek the conversion of the said Island Barangay Circumferential Road to a National Road.

In the light of the foregoing, approval of this bill is earnestly sought.
