

NINETEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
First Regular Session)

HOUSE OF REPRESENTATIVES

House Bill No. 6965

Introduced by Representative Ralph G. Recto

AN ACT
EXPANDING THE PURPOSES AND APPLICATION OF THE SPECIAL
EDUCATION FUND, AMENDING FOR THE PURPOSE SECTION 272 OF
REPUBLIC ACT NO. 7160, OTHERWISE KNOWN AS THE LOCAL
GOVERNMENT CODE OF 1991, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

It is embodied under our Constitution that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.¹

Providing basic public education has always been the responsibility of the central government. However, with the enactment of Republic Act No. 7160, otherwise known as the Local Government Code of 1991 (LGC), local government units (LGUs) now provide supplementary funding support to basic public education through a recurring financial source known as the Special Education Fund (SEF). The SEF was created under Section 235 of the LGC wherein LGUs are mandated to impose and collect an additional one percent (1%) on real property tax, which will accrue to SEF and in turn, automatically released to the local school boards. Section 272 of the LGC further provides that the proceeds of the SEF shall be allocated for the following purposes, namely: (a) operation and maintenance of public schools; (b) construction and repair of school buildings, facilities and equipment; (c) educational research; (d) purchase of books and periodicals; and (e) sports development.

¹ Section 1, Article XIV of the 1987 Philippine Constitution.

LGUs have consistently pointed out that the abovementioned purposes of the SEF have been deemed to be too restrictive and are no longer responsive to the needs of the stakeholders in basic public education. Proper utilization of the SEF may help address the public education sector's perennial problems of lack of funding, teachers or instructors and classrooms.

This bill seeks to introduce amendments to Section 272 of the LGC by expanding the purposes and application of the SEF by including the construction and repair of libraries, payment of salaries, allowances and other benefits of teaching and non-teaching personnel, competency trainings for teaching personnel, operation of non-formal education programs or alternative learning system (ALS) including the payment of the salaries of ALS facilitators and all other expenditures relative to the promotion of accessible public education.

To better ensure the quality and competitiveness of our public education system, the purposes and application of the SEF must be amended and expanded.

In view of the foregoing, the approval of this bill is earnestly sought.
