NINETEENTH CONGRESS
First Regular Session

House Bill No. 7073

Introduced by **ABONO Party-list Representative**
HON. ROBERT RAYMUND M. ESTRELLA

EXPLANATORY NOTE

By virtue of Executive Order No. 125, LTO Rosales District Office was classified as a “Class C” District Office mandated to 1) register motor vehicles; 2) issue permits and licenses, and 3) adjudicate apprehension cases. It primarily caters services to clients coming from the Sixth District of Pangasinan. On August 28, 2019 LTO Rosales Extension Office was then converted to LTO Rosales District Office by virtue of R.A. No. 11452, sponsored by former Congressman Conrado M. Estrella III.

This legislation seeks to upgrade the classification of the Rosales District Office of the Land Transportation Office from its current status of “Class C” to “Class A” District Office taking into consideration among others:

- Increase in the volume of transactions involving registration of motor vehicles, issuance of licenses and permits, as well as adjudication of apprehension cases (See Table 1);
- Revenue collections from the major functions of the office in favor of the government;
- LTO Rosales District Office is now strategically located at Carmay East, Rosales, Pangasinan. Rosales serves as a junction between the provinces of Tarlac and Nueva Ecija as well as to the other towns of Pangasinan;
- The district office is currently operating in the lot and office building under donation of Pancracio D. Rodriguez of Lucao District Dagupan City, thereby entailing minimal operational costs vis-à-vis revenue collections.

Considering these, and the fact that the LTO Rosales District Office only has eleven (11) plantilla positions to execute its functions, there is a clear need to convert the office from “Class C” to “Class A” as per the standards set by LTO Memorandum No. 2022-2200 (See Table 2).

In view of the foregoing, approval of this bill is earnestly sought.

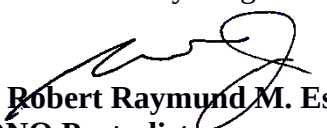

Rep. Robert Raymund M. Estrella
ABONO Party-list
