AN ACT
CONVERTING THE DAGAT-DAGATAN AVENUE SOUTHBOUND IN
CALOOCAN CITY INTO A NATIONAL ROAD AND APPROPRIATING
FUNDS THEREFOR

EXPLANATORY NOTE

Roads and road networks are essential to the growth and prosperity of any nation. Connecting people and places, goods and services in a secure, dependable, and efficient manner is essential for achieving and sustaining inclusive and sustainable growth across society and the economy.

In the Second District of Caloocan, Dagat-dagatan Avenue is a major thoroughfare used by motorists, commuters, and traders as an access road from C3 Road to C4 road, and vice versa.

Given that Dagat-Dagatan Avenue connects two major arterial national roads and several densely populated cities in Metro Manila, it is imperative that the Department of Public Works and Highways, which possesses the necessary technical capacity and resources, be in charge of its improvement, maintenance, repair, and rehabilitation. This can only be accomplished by designating Dagat-Dagatan Avenue as a national road, which is the intent of this house bill.

In view of the foregoing, early passage of the bill is urgently sought.
