HOUSE BILL NO. **7745**

Introduced by Representative Antonio “Ony” A. Ferrer

EXPLANATORY NOTE

This bill seeks to create three additional branches of the Regional Trial Court in the Fourth Judicial Region to be stationed in the City of General Trias, Province of Cavite.

General Trias (*formerly San Francisco de Malabon*) is a first class component city which also constitutes the Sixth Legislative District in the Province of Cavite. In the 2020 census, the population of the City of General Trias was 450,583 with a density of 5,006 inhabitants per square kilometer. The increasing growth rate is brought about by expanding industrial activities and the booming residential and commercial subdivisions.

The influx of people as well as the corresponding economic growth inevitably resulted in an increase of civil and criminal cases which slowed down the rate of disposition of cases. The proposal to create three additional branches of the Regional Trial Court in the City of General Trias seeks to address the growing demand for the immediate resolution of these cases.

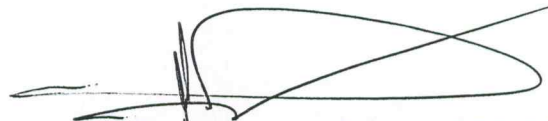

It is true that civil and criminal cases are also being raffled and docketed before the Regional Trial Court of Trece Martires City. However, many of these cases originate from the City of General Trias. For instance, as of February 23, 2023, out of the 16,094 cases being raffled in the four (4) Regional Trial Courts that we share with Trece Martires City and Tanza, 8,256 or 51.3% are coming from the City of General Trias.

In adherence to the rights to speedy disposition of cases and to speedy

confidence of the public in the State, this bill seeks to prevent delays in the administration of justice by creating three additional branches of the Regional Trial Court in the City of General Trias in order that the judiciary may proceed with reasonable dispatch in the trial of cases coming from the city.

This bill has been filed during the 18th Congress. It was approved on Third and Final Reading on December 17, 2019 in the House of Representatives and was transmitted to the Senate on December 18, 2019.

In view of the foregoing, approval of this bill is earnestly sought.
