NINETEENTH CONGRESS
First Regular Session

HOUSE BILL No. **7785**

Introduced by: **HON. CARL NICOLAS C. CARI**

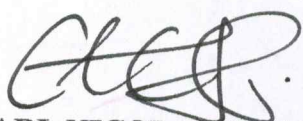

EXPLANATORY NOTE

The 1987 Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and take necessary and appropriate steps to make quality education accessible to all. The Constitution likewise mandates the State to establish and maintain a free education system at the elementary and high school levels.

In this connection, this measure proposes the creation of the Doos del Norte National High School in Brgy. Doos del Norte in the Municipality of Hindang, Province of Leyte. Through this establishment, we will be able to encourage the youth within the community and its neighboring barangays to pursue their secondary education with a decrease in travel and food expenses, as well as less exposure to safety and health risks.

Moreover, we will be able to satisfy the demand for a high-quality education for all Hindanganons towards promoting and enhancing the municipality's development and contributing to the enhancement of their social and economic status as a locality.

In view of the foregoing, the prompt ratification of this measure is fervently requested and recommended.
