HOUSE BILL NO. 8002

Introduced by

Honorable ANIELA BIANCA D. TOLENTINO

EXPLANATORY NOTE

The Municipality of Naic is a first-class municipality in the 8th District of the Province of Cavite. An extension office of the Land Transportation Office (LTO) is located in Naic. This representation believes that there is a need to convert the extension office in Naic to become a LTO Regular Office.

The population of Naic has ballooned to more than 160,000, based on the latest 2020 National Census. Aside from people in Naic, residents of nearby towns can also be better served by the proposed conversion into a regular office of LTO Naic. This representation forecasts that a population of around 600,000 can the avail services of the proposed LTO regular office in Naic – this expected clientele will come from Magallanes, Maragondon, Tanza, Ternate, and Trece Martires.

The Province of Cavite is one of the biggest provinces in the country, the creation of a regular office of LTO in Naic will complement the continuous growth being experienced in the area. Having a regular office of LTO in Naic will provide better service to a lot of Caviteños because such office will have ample manpower, more resources, and better management.

For the Filipino people, for Caviteños, the approval of the proposed bill is earnestly being sought.
