HOUSE BILL NO. 8416

Introduced by Representative Dante Sotelo Garcia

EXPLANATORY NOTE

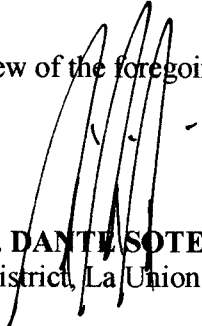

This bill seeks to upgrade the LTO Agoo District Office in the Municipality of Agoo, La Union from Class "C" District Office to Class "B" District Office.

Presently, LTO Agoo District Office has attained an increasing revenue collection and transactions handled for the past years. Statistics indicates that the district office is qualified as Class B based on LTO Memorandum Circular No. 2020-2022.

The recent transfer of its office to a new and much bigger building can accommodate more clients which will give opportunity to expand their services for new license applications, thus, would benefit not just the people of Agoo but the nearby municipalities of La Union as well.

Lastly, the upgrading of their office classification will create more job opportunities in their locality which will result in providing a faster and more efficient service to the increasing number of motor vehicle registrant and driver's license applicants.

In view of the foregoing, immediate approval of this bill is earnestly sought.
