Nineteenth Congress
Second Regular Session

HOUSE BILL NO. 9192

Introduced by Honorable Luz V. Mercado

EXPLANATORY NOTE

This bill seeks to declare Baybay - Maasin - Macrohon- Sogod Road, into a primary national road from currently being a secondary national road.

Currently, the Abuyug - Mahaplag - Sogod Road is the primary national road aligned with the Maharlika Highway. However, the treacherous and mountainous terrain of Abuyug always renders the said road impassable due to frequent landslides and floods. As a consequence, the Baybay - Maasin - Macrohon - Sogod Road takes the role of an alternate route despite being only a secondary road only. Right now the condition of this road is deteriorating amid heavy traffic due to its design as a secondary road only.

Also, the recent opening of Padre Burgos to Lipata Ferry Route has increased the flow of vehicular traffic along the said highway. Further, the volume of traffic will soon increase as the planned Leyte-Bohol Bridge will come to fruition.

It is now obvious to redevelop the Baybay-Maasin-Macrohon-Sogod Road to accommodate heavier vehicular traffic. By declaring this road as a primary national road, it will be now reasonable for the DPWH to channel the right resources for its redevelopment.

In view thereof, approval of this bill is earnestly requested.
