EXPLANATORY NOTE

This bill seeks to establish the Don Honorio Ventura State University (DHVSU)- Macabebe Campus, DHVSU-San Luis Campus and DHVSU-San Simon Campus, in line with the government's mandate to provide accessible and affordable college education to all.

Section 1, Article XIV of the 1987 Constitution provides that the "State shall promote the right of all citizens to quality education at all levels of education and shall take appropriate steps to make such education accessible to all."

State Universities and Colleges (SUCs) remain as the institutions of choice of underprivileged but deserving students because of free tuition, proximity to their homes, and the high quality of program offerings. They contribute constructively to the government's fundamental strategy to fight poverty and foster national competitiveness by accomplishing the mission of lifting economically and socially-marginalized Filipinos out of indigence.

At present, the Don Honorio Ventura State University has regular campuses located in the municipalities of Bacolor, Sto. Tomas, Porac, Lubao, Candaba, Apalit, Mexico, Sta. Rita, Floridablanca, Guagua and Sasmuan. It provides short-term,

technical-vocational, undergraduate and graduate courses with students from across the region. As one of the country's premiere universities, DHVSU has continued to provide the country with topnotch professionals in various fields.

The absence of a state-sponsored tertiary educational institution in these flood prone areas in the 4th district of Pampanga forces students to seek admission in SUCs outside their area of residence. This situation, coupled with high fuel prices and worsening traffic, puts the family to incur extra expenses, rob students of their productive time, and may promote disinterest amongst the youth to pursue or complete their college, technical, or professional education.

Hence, the strategic locations of the proposed DHVSU-Macabebe Campus, DHVSU-San Luis Campus and DHVSU-San Simon Campus, shall bring education opportunities closer to underprivileged but deserving students. It shall serve as an avenue for students to focus and learn their field of study, thereby making them more employable, equalizing the job market in the Philippines and abroad.

In view of the foregoing, the approval of this bill is earnestly sought.
