House Bill No. 10022

Introduced by **REPRESENTATIVE EMIGDIO P. TANJUATCO III**

EXPLANATORY NOTE

This bill seeks to grant civil service eligibility for all **Provincial Governors, Vice-Governors, Municipal and City Mayors and Vice-Mayors.**

Provincial officials such as Governors, Vice-Governors, Mayors and Vice-Mayors, serve as the main pillars of the local government. Together, these leaders of the executive work to protect and promote the interests of their constituents through the authority given to them within their territories. These leaders are given the tall order of managing the overall development of their provinces, municipalities and cities while collaborating to work on legislations for the betterment of their communities. Coupled with the responsibility of harnessing and developing local resources, these local leaders must maintain an exemplary level of service and accountability to deliver what is expected of them.

In 2011, **Republic Act 10156** was passed which grants civil service eligibility to the members of the Sangguniang Bayan, Sagguniang Panlungsod and Sangguniang Panlalawigan. In line with this, **Republic Act 7160** allows elected and appointed barangay officials the same civil service eligibility. If we extend this privilege to these groups of local officials, the same privilege should be extended to officials of similar or higher positions. Viewed together with the current economic landscape as a result of the COVID-19 pandemic, the expectations for our local officials have never been higher. Provincial Governors, Municipal Mayors, and City Mayors knew this when they decided to run for their respective positions, and their constituents deemed them as ready to serve their communities. With this, it is fitting that we recognize their efforts as pillars of the local government by granting the appropriate civil service eligibility they deserve.

In view of the foregoing, approval of this bill is earnestly sought.
