HOUSE BILL NO. **10028**

AN ACT
RENATIONALIZING NAIC MEDICARE HOSPITAL LOCATED IN NAIC,
CAVITE, PLACING UNDER THE DIRECT SUPERVISION AND CONTROL OF
THE DEPARTMENT OF HEALTH, AND PROVIDING FUNDS THEREFOR

EXPLANATORY NOTE

This measure aims to renationalize the Naic Medicare Hospital, located in Naic, Cavite, to ensure the standardization and enhancement of healthcare services provided by the hospital. The measure seeks to implement a more uniform set of healthcare standards and protocols, aligning the hospital’s services with national healthcare objectives and ensuring the delivery of high-quality medical care to the community.

Moreover, this measure will alleviate the administrative and financial burden on the Local Government Unit (LGU). Currently, the LGU of Cavite is tasked with the management and funding of local healthcare facilities, which can strain their resources and impact the quality of healthcare services. By returning the management, supervision, and control to the DOH, the bill aims to relieve LGUs from these burdens, allowing them to reallocate resources to other

critical areas of local governance, ultimately benefiting the local population by ensuring access to standardized, high-quality healthcare services.

In view of the foregoing, the approval of this measure is earnestly sought.
