HOUSE BILL NO. 10044

Introduced by Rep. Mohamad Khalid Q. Dimaporo

EXPLANATORY NOTE

This bill seeks to provide for the construction of a national highway from Brgy. Balagatasa to Brgy. Maliwanag, in the Municipality of Maigo to Sitio Trese, with a junction at the Lanao del Norte Interior Circumferential Road in the Municipality of Tangcal, to be known as the Maigo-Tangcal National Highway.

Opening up the interior communities will definitely improve the lives of our shared constituents in the Province of Lanao del Norte, a dream envisioned with the passage of the Lanao del Norte Interior Circumferential Road into a national legislation. However, with limited funds from the Government to complete the Interior Circumferential Road, feeder roads to complement the long national highway should be constructed and opened to the motorists. It will also help promote peace and security in the interior localities, with better access to government services and more presence from our security forces.

In view of the foregoing premises, the prompt approval of this measure is earnestly sought and recommended.
