HOUSE BILL NO. 10138

Introduced by Representative Arnan C. Panaligan

EXPLANATORY NOTE

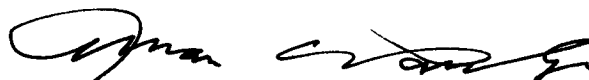

This bill seeks to upgrade the LTO Calapan District Office in Calapan City, Oriental Mindoro, transitioning it from a Class D to a Class B District Office. Current statistical data regarding transaction volume and revenue collection indicates that the LTO Calapan District Office meets the criteria for reclassification to Class B.

As a Class D office within the LTO MIMAROPA region, the district presently operates with eight (8) plantilla positions, each assigned specific functions as outlined in Memorandum Circular No. VPT 2010 1439, dated December 10, 2012. However, this staffing level proves insufficient to efficiently handle the daily influx of transactions, particularly in areas such as licensing, registration, adjudication and law enforcement services.

The proposed upgrade to Class B classification addresses the existing organizational and staffing challenges faced by district offices. By allowing for the creation of additional plantilla positions, this reclassification is poised to enhance operational efficiency, expedite transaction processing times and subsequently boost revenue collection. The adjustment in classification will facilitate a more streamlined and effective structure for addressing the agency's responsibilities and duties.

Given these considerations, the approval of this bill is earnestly sought to ensure the continued improvement and effectiveness of the LTO Calapan District Office.

In view of the foregoing, the approval of this bill is earnestly sought.
