House Bill No. 10305

Introduced by Representative **KHYMER ADAN. T. OLASO**

EXPLANATORY NOTE

The creation of a national high school in Barangay San Jose Gusu, Zamboanga City is a necessary step towards promoting educational equity and inclusivity. Currently, many students in our barangay face significant challenges in accessing secondary education due to the lack of nearby schools. As a result, they are forced to travel long distances, often at great expense, to attend schools in neighboring areas. This not only places a financial burden on families but also limits educational opportunities for our youth, particularly those from marginalized backgrounds.

By enacting legislation to establish a national high school in Barangay San Jose Gusu, we can eliminate these barriers and provide all students with the opportunity to receive a quality education close to home. This will not only increase enrollment rates but also improve educational outcomes and foster a sense of pride and belonging within the barangay.

Furthermore, the creation of a national high school in Barangay San Jose Gusu will have far-reaching benefits for Barangay San Jose Gusu's development and prosperity. It will serve as a hub for academic, cultural, and social activities, bringing together students, parents, educators, and barangay residents in a shared pursuit of knowledge and growth.

It is in this light that the early approval of this bill is earnestly sought.
