EXPLANATORY NOTE

Under Section 27 of Republic Act No. 9136, otherwise known as the Electric Power Industry Reform Act (EPIRA), the power to grant franchises to persons engaged in the transmission and distribution of electricity shall be vested exclusively in the Congress of the Philippines. Corollary, this bill seeks to grant a congressional franchise to Camarines Sur II Electric Cooperative (CASURECO II) in order for it to continuously provide electric power distribution system to the people of the City of Naga, Camarines Sur, and the Municipalities of Bombon, Calabanga, Canaman, Magarao, Milaor, Minalabac, Pili, Siruma and Tinambac, Camarines Sur.

CASURECO II was organized and registered pursuant to the provisions of Presidential Decree No. 269, as amended, and under the supervisory authority of the National Electrification Administration (NEA) with a mandate to perform electrification in the City of Naga, Camarines Sur, and the Municipalities of Bombon, Calabanga, Canaman, Magarao, Milaor, Minalabac, Pili, Siruma and Tinambac, Camarines Sur. Ever since, CASURECO II has provided quality services to the aforestated city and municipalities, and performed exceptionally to fulfill its mandate. In fact, the exceptional performance of CASURECO II is shown by the results produced since it has been granted a franchise to distribute electric power to the aforesaid city and municipalities of Camarines Sur. CASURECO II has energized ninety-nine and sixty one percent (99.61%) of the barangays within its franchise area. Further,

since 2017, CASURECO II has been consistently categorized for six (6) years as an “AAA” cooperative, the highest categorization of an electric cooperative by the supervising government agency – the NEA.

The enactment of this bill will ensure the continuous delivery of electricity from CASURECO II to the mentioned city and municipalities and will create the path towards progress in Camarines Sur. Likewise, it will be in line with the policy of the State as provided for in EPIRA, to ensure and accelerate the total electrification of the country; and to ensure the quality, reliability, security, and affordability of the supply of electric power.

In view of the foregoing, the approval of this bill is earnestly sought.

5 **SECTION 2. *Manner of Operation of Facilities.*** - All electric
6 distribution facilities, lines, and systems for electric services installed, owned,
7 operated, managed or maintained by the grantee, its successors or assigns shall be
8 operated or maintained at all times in a superior manner, and it shall be the duty of

10 Regulatory Commission, hereinafter referred to as the ERC, or its legal successor, or
11 the Department of Energy, hereinafter referred to as the DOE, or its legal successor,
12 or the National Electrification Administration (NEA) or its legal successor, or any
13 other government agency concerned to modify, improve and change such facilities or
14 systems in such manner and to such extent as the progress in science or technology
15 and improvements or innovations in the electric power service industry may render
16 reasonable and proper.

17 Whenever practicable, and for purposes of maintaining order, safety and
18 aesthetics along highways, roads, streets, alleys, or right-of-way, the grantee may
19 allow the use of free spaces in its poles, facilities, or right-of-way by interested parties
20 upon reasonable compensation to the grantee considering the costs incurred to
21 accommodate and administer the use of the grantee’s facilities by such parties. The

SECTION 6. *Rates for Services.* - The retail rates and charges for the distribution of electric power by the grantee to its end-users shall be regulated by and subject to the approval of the ERC or its legal successor.

SECTION 16. *Reportorial Requirement.* - The grantee shall submit an annual report to the Congress of the Philippines, through the Committee on Legislative Franchises of the House of Representatives and the Committee of Public Services of the Senate, on its compliance with the terms and conditions of the
