AN ACT
CONVERTING THE ROAD ADJACENT TO FLOODWAY, STRETCHING FROM
AMANG RODRIGUEZ, BARANGAY MANGGAHAN, CITY OF PASIG, TO MANILA
EAST ROAD MUNICIPALITY OF TAYTAY, INTO A NATIONAL ROAD AND
APPROPRIATING
FUNDS THEREFOR

Explanatory Note

The proposed bill aims to convert into a national road the East Bank/Casimiro A. Ynares Sr. Boulevard, an access Road from Amang Rodriguez Avenue, Barangay Manggahan, Pasig City, going to Manila East Road traversing through Velasquez St. within the Municipality of Cainta and Taytay, Rizal.

The existing roadway of the East Bank/Casimiro A. Ynares Sr. Boulevard serves as a main thoroughfare that links the City of Pasig and the Municipalities of Cainta and Taytay, Rizal. It is a reliable passageway heavily traversed by local residents and a vital infrastructure link in the interconnectivity of cities and municipalities, mobility of people, transportation of goods and services, and the operation of the socio-economic activities of the communities. Furthermore, the said road is a great help in providing the members of the community with better road access to the market and other economic activities and in hastening the delivery of social services to the barangays.

The East Bank/Casimiro A. Ynares Sr. Boulevard is identified as a provincial road, so its maintenance and improvement is under the responsibility of the local government. However, due to other fiscal priorities and limitations of the local government, the true potential of the road is not fully realized. Thus, converting it into a national road is seen as the only viable solution to guarantee necessary funds for its maintenance, repair, and expansion in order to promote the socio-economic development and general welfare of the people not only in those cities and municipalities but of the whole province.

In view of the foregoing, the approval of this bill is earnestly sought.
