NINETEENTH CONGRESS
3rd Regular Session

House Bill No. 10810

INTRODUCED BY REPRESENTATIVE JOCELYN P. TULFO

AN ACT
PROHIBITING SECONDARY AND HIGHER EDUCATION INSTITUTIONS
FROM REQUIRING STUDENTS TO COMPLETE STUDENT IMMERSION OR
INTERNSHIP PROGRAMS OR ON-THE-JOB TRAINING ABROAD OR
OUTSIDE THE PROVINCE WHERE THE INSTITUTION IS LOCATED

EXPLANATORY NOTE

The 1987 Constitution guarantees the right of all citizens to quality education at all levels and mandates the State to ensure equitable access to education, particularly for students from economically disadvantaged backgrounds.

Despite this right, we were in receipt of reports that certain higher education institutions impose mandatory requirements for students to undertake internships or on-the-job (OJT) training programs abroad as a condition for the completion of courses and graduation. The mandatory nature of this requirement places an undue financial burden on students and their families to finance these international internships or on-the-job training restricting their right to receive quality education in the country.

This proposed measure seeks to prohibit educational institutions from requiring students to complete immersion, internship, or OJT programs abroad or outside the province where the institution is located as a condition for graduation. The bill affords each student their right to graduate without being compelled to undertake such programs in line with the principles of fairness, equality, and accessibility of quality education in the Philippines, ensuring that no student is left behind.

In view of the foregoing, approval of this bill is earnestly sought.

House Bill No. **10810**

INTRODUCED BY REPRESENTATIVE JOCELYN P. TULFO

AN ACT
PROHIBITING SECONDARY AND HIGHER EDUCATION INSTITUTIONS
FROM REQUIRING STUDENTS TO COMPLETE STUDENT IMMERSION OR
INTERNSHIP PROGRAMS OR ON-THE-JOB TRAINING ABROAD OR
OUTSIDE THE PROVINCE WHERE THE INSTITUTION IS LOCATED

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

1 **SECTION 1. Declaration of Policy.** - It is hereby declared the policy of the
2 State to uphold the right to education by protecting and promoting the right of all
3 citizens to accessible quality education at all levels. This Act aims to ensure that
4 students are not unduly burdened by compulsory requirements that may impose
5 unnecessary financial strain, which could hinder their right to complete their
6 education. The State recognizes that requiring students to participate in immersion,
7 internship, or on-the-job (OJT) training programs in locations that are financially or
8 logistically challenging may obstruct access to education, especially for those from
9 economically disadvantaged backgrounds.

6

7 **SECTION 4. *Voluntary Participation.*** – Nothing in this Act shall prohibit
8 students or their parents or guardians from willingly availing of student immersion,
9 internship, or OJT programs abroad or outside the province where such institution is
10 located, provided that such participation is done with full written consent and is not
11 a mandatory requirement for graduation or the completion of the course.
12

13 For the purpose, all secondary and higher education institutions shall be
14 required to submit an annual report to the Department of Education (DepEd) or the
15 Commission on Higher Education (CHED), as may be applicable, detailing all
16 immersion, internship, or on-the-job (OJT) programs conducted by their students
17 abroad or outside the province where the institution is located within the school year.
18

19 **SECTION 5. *Mandatory Reporting.*** – (a) All secondary and higher education
20 institutions shall be required to submit an annual report to the Department of

22 applicable, detailing all immersion, internship, or on-the-job (OJT) programs
23 undertaken by their students abroad or outside the province where the institution is
24 located.
25

26 (b) Such report shall include copies of the written consent provided by the
27 students or their parents or guardians, indicating their voluntary participation in such
28 abroad or out-of-province programs, as well as a summary of any financial assistance,
29 scholarships, or other support provided to students participating in such programs.

32 reports may result in administrative sanctions as determined by DepEd or CHED.

34 disciplinary measures.

36 **SECTION 6. *Penalties.*** – Any secondary or higher education institution found
37 to be in violation of this Act shall be subject to penalties, including fines and sanctions,
38 as may be determined by CHED or DepEd. Repeated violations may result in the
39 suspension or revocation of the institution's license to operate.
40

1 **SECTION 7. *Implementing Rules and Regulations.*** - The DepEd and CHED,
2 in coordination with relevant stakeholders and organizations, shall promulgate the
3 necessary rules and regulations for the effective implementation of this Act within
4 ninety (90) days from its effectivity.

5
6 **SECTION 8. *Separability Clause.*** - If any provision of this Act is declared
7 unconstitutional or invalid, the other provisions not affected thereby shall remain in
8 full force and effect.

9
10 **SECTION 9. *Repealing Clause.*** - All laws, decrees, executive orders, and rules
11 and regulations, or parts thereof which are inconsistent with this Act, are hereby
12 repealed or modified accordingly.

15 publication in the Official Gazette or in a newspaper of general circulation.
