HOUSE BILL NO. 10920

Introduced by Representative Christopherson “Coco” M. Yap

EXPLANATORY NOTE

This bill seeks to establish a Technical Education and Skills Development Authority (TESDA) training and accreditation center in the Municipality of Hinunangan, Province of Southern Leyte, to be known as the “*Hinunangan TESDA Training and Assessment Center*.”

The Technical Education and Skills Development Authority (TESDA) plays a crucial role in providing high-quality technical-vocational education and training (TVET) to Filipino workers. TESDA's programs equip individuals with the necessary skills to secure employment, both domestically and internationally.

The Province of Southern Leyte is faced with challenges related to unemployment and underemployment especially for those who come from disadvantaged families. This bill seeks to address these challenges by establishing a TESDA Training and Assessment Center in Hinunangan, Southern Leyte. The proposed Training and Assessment Center will provide more accessible and high-quality technical-vocational education to the residents of Hinunangan and all neighboring municipalities in Southern Leyte thereby increasing employment opportunities for our constituents.

By bringing TESDA's resources and expertise directly to Hinunangan and the Province of Southern Leyte, this bill aims to create a transformative impact on the local community, opening doors to new opportunities and paving the way for sustainable economic growth in the region. This will provide the constituents of our district a great opportunity for them to be more productive and competitive in the skills market.

In view of the foregoing, the passage of this bill is earnestly sought.
