HOUSE BILL NO. 11031

Introduced by Honorable Luz V. Mercado

EXPLANATORY NOTE

Salvacion Oppus Yñiguez Memorial Hospital is an essential health facility in the Province of Southern Leyte. It is currently serving the entire province as well as its nearby municipalities on the north of Leyte.

However, due the limited resources of the LGU-Province of Southern Leyte, the said hospital could not be developed into a primary hospital comparable to DOH ran health facilities.

For this reason, we proposed that the said hospital be converted as the Southern Leyte Medical Center managed by the Department of Health.

In view thereof, approval of this bill is hereby earnestly requested.
