Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

NINETEENTH CONGRESS
Third Regular Session

HOUSE BILL NO. 11143

Introduced by Rep. Vincent Franco D. Frasco

EXPLANATORY NOTE

This bill seeks to establish a regular campus of the Cebu Normal University in the municipality of Poro, Province of Cebu, to be known as the Cebu Normal University – Poro Campus, and appropriating funds therefor.

Section 1, Article XIV of the 1987 Constitution provides that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Further, Section 2 (1) of the same Constitution provides that the State shall establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society.

Cebu Normal University (CNU) is a higher education institution duly organized and existing by virtue of Republic Act No. 8688, otherwise known as the Cebu Normal University Charter. It was established in 1902 as a provincial normal school and a branch of the Philippine Normal School. It became an independent institution in 1924, a chartered college in 1976, and a university in 1998. CNU is one of the oldest educational institutions in Cebu. Currently, CNU has three campuses, the main campus in Osmeña Boulevard, Cebu City and two extension campuses in Medellin and Balamban.

Poro is a 4th class municipality in the province of Cebu, with a total population of 26,232 residing in its 17 barangays, and a total land area of 63.59 square kilometers as per the 2020 Philippine National Census. It is home to industries in need of technical instruction, such as tourism, agriculture, fishery, manufacturing, Information Technology (BPO), and mining.

Establishing a CNU Campus in Poro will greatly benefit the families of students living in far-flung areas of the Province of Cebu. Not only will it provide savings in tuition and other fees to the residents, but more importantly, it will fulfil the State's policy to provide access to quality tertiary education for all.

In view of the foregoing, immediate approval of this measure is earnestly requested.
