

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

NINETEENTH CONGRESS
First Regular Session

HOUSE RESOLUTION NO. 725

Introduced by Representative Eduardo Roa Rama Jr.

RESOLUTION
CONGRATULATING ANDREW LORENZ CAUNAN CABIGON AND
MATTHEW ANDREI GO FOR WINNING GOLD MEDALS IN THE
INTERNATIONAL JUNIOR MATH OLYMPIAD HELD
LAST DECEMBER 4 2022 IN SINGAPORE

WHEREAS, the International Junior Math Olympiad (IJMO) is an international mathematics competition held annually in different countries across Asia, organized to identify and encourage potential young math talents in participating countries.

WHEREAS, Filipino students of the Asian MathSci League, Inc. (AMSLI) Philippines competed among students from around the globe in the international science and mathematics competitions held in person from December 3 to 6, 2022 in Singapore.

WHEREAS, Andrew Lorenz Caunan Cabigon and Matthew Andrei Cua Ho Go, both from Sacred Heart School – Ateneo De Cebu, won gold medals.

WHEREAS, these young Filipino mathletes brought great pride and honor to the Philippines after winning in the IJMO, a global platform for students to showcase their talent and brilliance in the an international math competitions arena.

WHEREAS, this achievement has set a great example to students in Cebu and all over the country, as it may serve as an inspiration to young minds to have a deep conceptual understanding and high analytical skills in the field of Mathematics, and likewise empower students to excel both academically and in extracurricular activities.

WHEREAS, by recognizing the brilliance, diligence, and extreme effort exerted by Andrew Lorenz Caunan Cabigon and Matthew Andrei Cua Ho Go in the Olympiad, we promote a culture of excellence in Cebu by giving credit where these are due.

NOW THEREFORE, in consideration of the foregoing, the House of Representatives hereby **RESOLVE** to congratulate and commend Andrew Lorenz Caunan Cabigon and Matthew Andrei Cua Ho Go, both from Sacred Heart School – Ateneo De Cebu for winning gold medals in the International Junior Math Olympiad (IJMO) from December 3 to 6, 2022 in Singapore.

Adopted.

EDUARDO ROA RAMA JR.
