HOUSE BILL NO. 260

Introduced by: **REP. RACHEL MARGUERITE 'CUTIE' DEL MAR**

EXPLANATORY NOTE

This measure seeks to provide for the construction of a Light Rail Transport (LRT) System or Metro Rail Transport (MRT) System or Monorail Transport System over, as well as a Subway Transport System under the three (3) most congested road sections in the First District of the City of Cebu.

Both these proposed over and under separate grade level intervention projects are urgently needed to alleviate the horrendous traffic suffered for years now by the residents of the first district of the City of Cebu.

This bill was originally filed by my father, the late Raul V. Del Mar in the last 17th and 18th Congresses but unfortunately was not approved for lack of time before adjournment of Congress.

In this light, approval of this bill is earnestly sought.
