HOUSE BILL No. 338

Introduced by: **REP. RACHEL MARGUERITE "CUTIE" DEL MAR**

EXPLANATORY NOTE

The attached bill is to give full meaning of the Constitutional provisions which provide that: Article II, Sec. 17. "The State shall give priority to education, science and technology, arts, culture and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development."

The humble beginnings of Cebu Normal University started as the Cebu Normal School by virtue of Act No. 74 enacted by the Philippine Commission in 1902. Thereafter, Republic Act No. 975 was enacted which categorized CNS as a tertiary level institute and was authorized to confer the degree, Bachelor of Science major in Elementary Methods and in 1959, it offered Bachelor of Sciences in Elementary Education. Eventually, in 1960, the Graduate School was and had its first batch of graduate in 1966. In 1967, R.A. No. 5128 converted CNS into Cebu Normal College and in 1976 it became Cebu State College (CSC) by virtue of Presidential Decree No. 944. In 1988, was converted into Cebu Normal University with the passage of R.A. No. 8688.

However, since the enactment R.A. No. 8688 in June 1988, CNU has not fully achieved its intents and purposes in some aspects which are equally essentials in making the University at par with other Universities and for it to become responsive to the developments in various sectors in the Philippines. The offering of doctor of medicine, nursing and allied health sciences, juris doctor or law, public health, dentistry, pharmacy, pharmaceuticals, radiology, bio-medical technology, midwifery, public health education, tourism, hotel and hospitality management, business and economics in addition to the education degree programs with various fields of specializations, these have not been fully explored and utilized the University's strategic advantage being located at the heart of Cebu City as the trade and economic center of Central Visayas and other parts of Central Visayas Region. Thus, the mandates and curricular programs of the University need to be further strengthened and expanded by including these programs.

The undergraduate and graduate Nursing programs are issued with the appropriate Certificates of Program Compliance (COPC) by the Commission on Higher Education (CHED). Specifically, the BS in Nursing (COPC No. 083, s. 2020 per CHED *En Banc* (CEB) Reso. No. 286-2020), Master of Nursing (COPC No. 074, s. 2022), Doctor of Science in Nursing (COPC No. 076, s. 2022), and Master in Nursing (COPC No. 073, s. 2022) issued per CEB Reso. No. 363-O-2022, and PhD in Nursing (per CEB Reso. No. 724-2024, s. 2024). Effective September 2024, the CNU offered the one-year Master of Nursing Education (MNE) to further contribute in producing nursing educators.

Additionally, the COPC for the Doctor of Medicine (MD) Program is covered per CEB Reso. No. 818-2024. By 2025, the CNU-VSMMC College of Medicine will produce its first batch of twenty-two (22) graduates and thereafter they are expected to take the Medical Licensure Examinations in 2026.

The application of CNU for the Juris Doctor program has been evaluated and the corresponding government permit/clearance is expected to be issued by the Legal Education Board (LEB) anytime starting January 2025 thus, the offering thereof is expected to begin during First Semester of Academic Year 2025-2026 and thereafter, thereby contribute in producing high quality professionals and leaders in the justice system of the Philippines. Moreover, the tourism programs of the University had been issued Level II Re-Accredited by the AACCUP and the University aims to contribute to the development plan of making Cebu Island as the tourism hub in the Philippines.

Amongst of the monumental accomplishments of the University include, 100% passing in nursing board examinations straight for the last 13 years. In 2024 Philippine Nursing Licensure Examinations (PNLE), the University produced Top 1 and eight (8) within Top 10, which epitomizes its outstanding performance as the Center of Excellence in Nursing. This made CNU as a Top Performing School in the 2024 PNLE. Currently, CNU is ranked 3 in the list of Top 10 Cebu universities according to metrics-based ranking in EduRank. CNU has also been conferred Rank 95 by the World University Rankings for Innovation (WURI).

As regards faculty complement, CNAHS is composed of 26% with doctoral degree, 61% with masters degree and 13% with masters units while the CNU-VSMMC COM has a total of 34 registered Doctors of Medicine and 110 part-time faculty members in various specializations assigned to the different subjects under the prescribed curriculum. The CNU has allocated five (5) vacant plantilla for the faculty members required under the Juris Doctor while the CTHHM has a total of 42% doctoral holders, 42%% masters and 16% with masters units. Further, there are a number of existing faculty members who have completed business and economics graduate programs who can readily be tapped for curricular offerings thereof.

The current Main Campus of CNU in Cebu City is inadequate to absorb or accommodate applicants for admission, especially those poor but deserving students, seeking for high quality educational services, due to limitations in space, absorptive and enrollment capacities, despite of the Free Higher Education under R.A. No. 10961. With an initial one thousand four hundred sixty (1,460) square meters lot allocated by the PLGU-Cebu Province, under the leadership Honorable Governor Gwendolyn Pilar F. Garcia, covered with a Usufruct Agreement signed in November 2024 between the CNU presented by its University President, Dr. Daniel A. Ariaso Sr, CESO II, and the PLGU-Province of Cebu represented by Hon. Gov. Gweldolyn Pilar F. Garcia, the University seeks to establish the Central Cebu City Campus in the said lot strategically located in Sambag II, Cebu City.

The establishment of the CNU Central Cebu City and inclusion of the additional mandates or curricular programs thereof would surely give true flesh and meaning to the constitutional and statutory mandates as well as the government's thrust under the leadership of President Ferdinand R. Marcos, Jr. of making education accessible to all. This noble undertaking also contributes in realizing the common dreams of every Filipino, among others, in availing of high quality educational services, *"no one left behind"*, reducing poverty, eradicating illegal drugs, fighting criminality of all sorts, and thereby giving flesh to the efforts of sustaining development and progress in local, regional, and national levels.

Therefore, immediate passage of this bill is strongly recommended.

The Board may direct for the updating of the deliverables in Section (a)(c) above every five (5) years or as often as necessary which shall be in harmony with the national development plan.

SEC. 23. *Transitory Provision.* – To provide strategic direction and leadership as the Campus and College transitions, and to ensure the attainment of its distinctive and purposeful mandates as such, as declared and provided for in this Act, the incumbent Campus Director and the concerned College Deans of CNU, if qualified, shall serve a new term as its first Campus Director or Dean of the College, as the case may be, subject to one (1) reappointment: *Provided*, That such reappointment is pursuant to the guidelines prescribed by the Board, upon recommendation by the University President.

SEC. 24. *Appropriations.* – An amount of Two Billion Pesos (PhP2,000,000,000.00) is hereby appropriated to be used, among others, for the construction of the building/s as mandated under Section 11 in this Act, hiring of qualified faculty members and staff, procurement of vehicles and state-of-the-art facilities necessary for the operations of the tertiary hospital, auxiliary services, income generating projects and such entrepreneurial undertakings and of the college or University as its Board of Regents may deem appropriate. Thereafter, the amount necessary to carry out the provisions of this Act shall be included in the annual General Appropriations Act.

SEC. 25. *Implementing Rules and Regulations (IRR), the University Code and Manual of Operations.* – Within sixty (60) days from the effectivity of this Act, the Board, in consultation with the CHED, shall

formulate the rules and regulations to fully implement the provisions of this Act.

Within one hundred twenty (120) days from the promulgation of the IRR, the University President shall, upon consultation with and review by the Academic Council and Administrative Council, submit to the Board of Regents for action on the University Code and Manual of Operations and such policies of the offices, colleges, departments, units, sections and services of the Campus.

Provided, That the IRR, University Code and the Manual of Operations and such policies may be reviewed, updated or enhanced at least every five (5) years or as often as may be necessary.

SEC. 26. Separability Clause. – Should any provision herein be declared unconstitutional, the same shall not affect the validity of the other provisions of this Act.

SEC. 27. Repealing Clause. – All laws, decrees, orders, rules and regulations or other issuances or parts inconsistent with the provisions of this Act are amended, repealed, or modified accordingly.

SEC. 28. Effectivity. – This Act shall take effect fifteen (15) days after its publication in the Official Gazette or in a newspaper of general circulation.

Approved,
