First Regular Session

HOUSE BILL NO. 401

Introduced by **REPRESENTATIVE CHEENO MIGUEL D. ALMARIO**

EXPLANATORY NOTE

This bill seeks to establish a national highway from Barangay Don Mariano Marcos to Barangay Macangao, both in the Municipality of Lupon, Province of Davao Oriental, connecting the Mati - Maragusan National Secondary Road and the President Diosdado P. Macapagal National Highway.

The Municipality of Lupon has 21 barangays, 18 of which are contiguously located around the town proper while the other three - Barangays Don Mariano Marcos, Calapagan, and Marayag, collectively known as DONCAMAR- are clustered and located approximately 75 kilometers away from the town proper. A constituent from these barangays needing to go to the municipal hall of Lupon has to travel around 1.5 hours in a circuitous route that passes through the City of Mati and the Municipality of San Isidro. This causes added burden to the traveler from Lupon and inevitably contributes to the worsening traffic situation in Mati and San Isidro.

The passage of this bill will connect the three remote barangays of the Municipality of Lupon to the other 18 adjoining barangays affording direct and shorter travel. The trip will effectively be reduced by one hour easing the inconvenience and extra expense in the transporting of people and farm products to and from each area. Further, the national highway will reduce traffic problems in the City of Mati and the Municipality of San Isidro.

A similar version of this bill was previously filed by Hon. Joel Mayo Z. Almario during the 17th and 18th Congresses. was previously filed by this representation during the 19th Congress. Support for the immediate passage of this bill is again earnestly sought.
