House Bill No. 730

Introduced by **Representative SOLOMON R. CHUNGALAO**

EXPLANATORY NOTE

This bill was originally filed as House Bill No. 4798 in the 18th Congress on September 24, 2019 and was refiled on August 8, 2022 as House Bill No. 1897 in the 19th Congress.

This house measure seeks to convert the provincial road that stretches from Barangay Amganad in the Municipality of Banaue, to Barangays Northern Cababuyan, Cababuyan, Poblacion and Piwong in the Municipality of Hingyon, all in the Province of Ifugao.

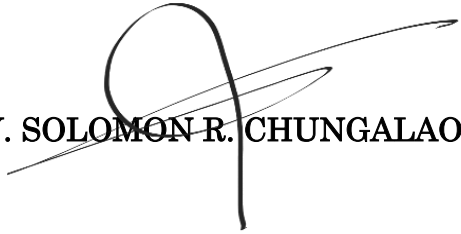

The Nueva Vizcaya-Ifugao-Mt. Province national highway is the only primary national highway that passes through the province of Ifugao. In the Ifugao section, the road passes through the Municipalities of Lamut, Lagawe, Hingyon, and Banaue. On that length, the Hingyon-Banaue portion is very much prone to landslides whole year round. Every time that there is heavy downpour of rain, the possibility of landslide is extremely high. Landslides frequently occur just few hours after heavy rains affect the area. Whenever there are slides, roads are closed to traffic isolating the northern part of Ifugao and central Mt. Province resulting to paralyzed business, tourism and the local economies of both provinces.

The urgent need for reclassification of the road stretch's category is merited by the need of an alternate route of the Hingyon-Banaue section of the existing

national highway in times of total closure from torrent rain-caused landslides to avoid total isolation of the abovementioned portions of Ifugao and Mt. Province.

The proposed conversion arises out of extreme necessity and urgency.

In view of the foregoing premises, immediate enactment of this bill is earnestly sought.
