HOUSE BILL NO. 883

Introduced by **Representative FERDINAND L. HERNANDEZ**

AN ACT
CONVERTING THE SOUTH COTABATO STATE COLLEGE IN THE
MUNICIPALITY OF SURALLAH, PROVINCE OF SOUTH COTABATO INTO A
STATE UNIVERSITY TO BE KNOWN AS THE “SOUTH COTABATO STATE
UNIVERSITY”, AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

The Constitution explicitly provides that the State shall give priority to education, science and technology, arts and culture, and sports and accelerate social progress. In line with this expressed mandate, the proposed measure seeks to convert the South Cotabato State College (SCSC) into a state university to enhance the quality of higher education and research, and to provide broader access to advanced educational opportunities within the region.

State colleges, while instrumental in delivering tertiary education, have limited capacity in terms of academic program offerings, research initiatives, and international collaboration. By converting a state college into a state university, the institution will be empowered to provide the youth and students a more accessible and affordable higher education, which shall:

1. Expand academic offerings beyond undergraduate degrees to include graduate and postgraduate programs in various fields of study;
2. Enhance faculty development and research capacity, thereby improving the quality of instruction and innovation;
3. Attract more funding from both government and private sectors, grants, scholarships and local and foreign partnerships and cooperation;
4. Strengthen linkages with industry and global partners, contributing more directly to regional and national development;
5. Ensure that quality education is accessible to a broader segment of the population, especially those in underserved and rural areas; and
6. Create opportunities for employment, entrepreneurship, preservation of culture and identity.

The conversion of SCSC into South Cotabato State University will be subject to compliance with the requirements and standards set by the Commission on Higher Education (CHED), ensuring that the transition upholds academic excellence and institutional integrity.

In light of these goals, the approval of this measure is earnestly sought.
