House Bill No. 913

Introduced by **Hon. Bernadette S. Barbers**

AN ACT
AMENDING SECTION 9 AND SECTION 27 OF REPUBLIC ACT NO. 8189 OR THE
VOTER'S REGISTRATION ACT OF 1996

Our Constitution and election laws provide a residency requirement of at least six months preceding the election. However, it seems that the people are making a mockery of this requirement as the COMELEC has no way of knowing whether the registrants are legitimate residents of the place where they propose to vote.

It is now a rampant practice in our country before the election period for people to register anew or transfer their registration to a new place even if they are unqualified in terms of residency requirements for voter's registration. They simply have to present their identification cards as proof of their identity just to qualify in their registration. This has been the one of the sources of flying voters in the country.

This bill seeks to amend Section 9 of Republic Act. No. 8189 or the Voter's Registration Act of 1996 by requiring the presentation of proof of residence in addition to proof of identity during voter's registration to prevent the problem of perennial flying voters. This will strengthen and protect the sanctity of our right to suffrage and the integrity of our election system.

Furthermore, this bill seeks to amend Section 27 of the same Act by changing the failure to vote for two (2) successive preceding regular elections requirement to three (3) successive preceding regular elections before a registered voter could be disenfranchised.

The intention of the people who registered to vote is really to exercise their right to suffrage. Their failure to vote maybe unintentional on their part because of circumstances beyond their control. Hence, consideration should be given to them especially since the right to suffrage is their political right conferred by our Constitution.

In view of the foregoing, immediate approval of this bill is earnestly sought.
