House Bill No. 985

Introduced by **Rep. ANGELO MARCOS BARBA**
2nd District, Ilocos Norte

EXPLANATORY NOTE

This bill seeks to establish a Commission on Higher Education (CHED) Field Office in the Province of Ilocos Norte to provide students and their parents easy access to programs and services of CHED. This would help provide a more efficient and effective program and service delivery, particularly in following up applications for student financial assistance and grants and scholarships, securing eligibility and documents for employment purposes, and other educational concerns.

Establishing a CHED field office devoted to the needs of the province of Ilocos Norte would certainly save time, money, and resources of students, parents, teachers, staff, school administrators, and CHED personnel. This is in line with the administration's policy to provide efficient public service for our people.

In light of the foregoing, the immediate passage of this measure is earnestly sought.
