HOUSE BILL NO. 1003

Introduced by Lone District of Agusan del Norte Representative
HON. DALE B. CORVERA

AN ACT
PROVIDING FOR A FIVE-DAY SPECIAL EMERGENCY LEAVE FOR ALL WORKERS IN THE PUBLIC AND PRIVATE SECTORS DIRECTLY AFFECTED BY NATURAL CALAMITIES OR DISASTERS

EXPLANATORY NOTE

Based on the World Risk Index 2022, the Philippines has been ranked as the most affected country by extreme weather events. The World Risk Index is a tool used to assess and estimate the disaster risk of a country, using both external and internal hazard factors, including cyclones, floods, droughts, sea level rise and societal conditions. Thus, Filipinos, especially whose main source of income are wages, are very prone to succumb to the devastating and debilitating effects of natural calamities or disasters.

It is a declared policy under Section 18, Article II of the Constitution that the State affirms labor as a primary social economic force. It shall protect the rights of workers and promote their welfare.

This proposed measure aims to provide employees in both the public and the private sectors with five-day special emergency leave with pay, to minimize the impact of natural calamities and disasters on their income and well-being. It aims to help individuals and families whose homes are damaged, flooded, or destroyed by typhoons, earthquakes, storm surges, or flooding to immediately cope up and recover.

In view of the foregoing, immediate approval of this bill is earnestly sought.
