EXPLANATORY NOTE

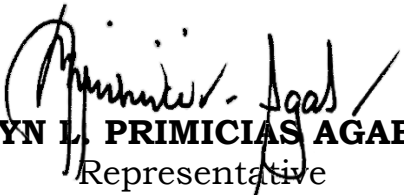

The State shall protect the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature (Section 16, Article II, 1987 Constitution).

This bill seeks to declare the “Pinsal falls” as an ecotourism destination in the Municipality of San Nicolas, Province of Pangasinan.

The Pinsal Falls is a perfect spot for ecotourism. It is located approximately 12 kilometers south of the famous San Roque Dam- the 6th largest dam in the world. Before reaching the majestic view of the Pinsal Falls, a tourist must negotiate the Agpay Nature Park which is an integral part of the ecotourism site. Any visitor will be able to experience trail traveling to relatively undisturbed natural areas with the opportunity of being able to admire and enjoy a scenery detached from urban life. Any person who loves ecotourism will be immersed in nature in a way that most people cannot enjoy in urban existence bringing with him an experience of a natural environment attached to our Creator.

With the development of the Pinsal Falls, the ecotourism industry of the Municipality of San Nicolas will be greatly enhanced.

Hence, passage of this bill is earnestly requested.
