First Regular Session

HOUSE BILL NO. 1177

Introduced by Representative **MARLYN L. PRIMICIAS-AGABAS**

EXPLANATORY NOTE

This bill seeks to amend several provisions of Republic Act No. 6975, or otherwise known as the "*Department of the Interior and Local Government Act of 1990*" [or "RA 6975" for easy reference], as amended, and Section 32 of Republic Act No. 8551, otherwise known as the "*Philippine National Police Reform and Reorganization Act of 1998*", and to appropriate funds thereof.

The twin overarching purposes of the bill and the proposed amendments are: 1) to strengthen the over-all organizational command structure of the PNP, and 2) to enhance the PNP's operational capability in its multi-level offices in carrying out its constitutional and statutory mandates. These purposes are achieved by creating additional valuable offices. Consider, for instance, the following:

The "**PNP Directorial Staff**" in the proposed Section 25-A. This new office will certainly enhance the span of control of the PNP Chief in the administration and operation of the entire PNP as well as create a more efficient and effective working relationship among all the PNP national and local offices.

Another is a "**command group**" for the PNP Chief composed of the offices of the two deputy chiefs for Administration and Operation, plus the Chief of the Directorial Staff. This proposed amendment will certainly bring better harmony, effective coordination, and faster communication between the PNP Chief and these said offices as well as facilitate easier access to them by PNP personnel and the public.

Also, offices like “**area commands**” or “**Area Police Commands**” to be established in strategic locations in the country, particularly in clustered Regional Offices, and “**city offices**” instead of mere police stations, among others, are aimed at strengthening police presence and increasing police visibility in these strategic locations and cities, given the fact that cities are bustling with people and activities more than any normal municipality. The benefits are calculated or estimated to far outweigh the costs of creating, staffing, and maintaining these offices, keeping in mind that peace and order, public safety and security are primordial concerns of our citizens and could not be compromised.

Moreover, Section 5 of the proposed house bill giving to the PNP Chief the power or authority to select the members of his command group is just appropriate and will not be abused as the power to appoint is still vested in the President and the appointment requires the prior recommendation of the Commission.

Given the beneficial purposes of the proposed amendments to RA 6975 and RA 8551 contained in this proposed bill—which, if passed into law, is reckoned to benefit not only the PNP as an organization, but ultimately, and more importantly, our country and its people, approval of this bill is earnestly sought.
