HOUSE BILL NO. 1222

Introduced by **REPRESENTATIVE FRANCISCO PAOLO P. ORTEGA V**

AN ACT
CONVERTING THE CADACLAN- BOTANICAL GARDEN ROAD IN SAN
FERNANDO CITY, LA UNION, INTO A NATIONAL ROAD AND APPROPRIATING
FUNDS FOR THE MAINTENANCE AND IMPROVEMENT THEREOF

EXPLANATORY NOTE

This bill seeks to convert the Cadaclan- Botanical Garden Road in San Fernando City, La Union into a national road.

Road projects serve as an important part of the development strategy for any region.

In the wake of rapid economic growth and poverty reduction programs implemented by the government, the demand for excellent road networks increases. Roads are crucial to economic development. The mobility and relative ease in the transport of goods and prime commodities as well as the effective delivery of basic services are affected and determined by the conditions of the access roads.

Being a definitive factor towards progress, it is not enough that roads are just constructed. Roads must be regularly repaired and maintained. The Cadaclan- Botanical Garden Road needs appropriate funding for its maintenance in order that it will not deteriorate and eventually fall into disrepair, setting back whatever economic growth the road's opening had spurred.

With the conversion of Cadaclan- Botanical Garden Road into a National Road, funds from the national government, through the Department of Public Works and Highways, will ensure the improvement and maintenance of the road and sustain the socio-economic development in La Union.

In view of the foregoing, approval of this bill is earnestly sought.
