HOUSE BILL NO. 1522

Introduced by: Hon. Keith Micah "Atty. Mike" D.L. Tan

AN ACT
PROVIDING FOR EARLY VOTING BY QUALIFIED SENIOR CITIZENS IN NATIONAL
AND LOCAL ELECTIONS

EXPLANATORY NOTE

Article V, Section 1 of the Philippine Constitutions provides that, "Suffrage may be exercised by all citizens of the Philippines not otherwise disqualified by law, who are at least eighteen years of age, and who shall have resided in the Philippines for at least one year and in the place wherein they propose to vote for at least six months immediately preceding the election. No literacy, property, or other substantive requirement shall be imposed on the exercise of suffrage."

The right to suffrage is the essence of our democracy. As a means to increase participation by citizens who are otherwise prevented from voting, the country has enacted absentee voting laws. Presently, there are laws that allow absentee voting for Filipinos overseas, media practitioners, armed forces and police force. However, these still leave another group disenfranchised due to age-related conditions during elections.

Senior citizens have a significant role to play and contribution to make in the transformation of our country towards a more just, fair and humane society. Our elderly has the treasure of wisdom, knowledge, values and experience that they can share with us, most especially with the younger generation of Filipinos. As such, it is important to ensure that their voices will be heard and their votes will be counted during elections. However, some of them may not be able to vote as they are stationed away from their residences on election days either to seek treatment or due to elderly health issues and conditions among other reasons.

Hence, this bill provides for means for senior citizens stationed away from their residences on election days to vote on national elections in the precincts nearest to them subject to reasonable regulations by the Commission on Election.

In view thereof, approval of this bill is earnestly requested.
