HOUSE BILL NO. 1762

Introduced by Hon. Julianne L. Baronda

EXPLANATORY NOTE

This bill seeks to convert **Zamora Street** in Iloilo City, presently classified as a local city road, into a national road.

The road spans a total length of 782.5 linear meters and is located in the City Proper District of Iloilo City. It connects two national roads in Iloilo City: Duran Street and Blumentritt Street. The road is located in the City Proper District of Iloilo City, which is the heart of my Congressional District. Numerous government offices including the Iloilo City Hall and the Iloilo Provincial Capitol are located in the City Proper District. Moreover, there are a good number of business establishments and schools in the City Proper area. The Iloilo Central Business District, which was recently declared by Republic Act 10555 as part of the country's tourism and heritage zone, is also located in the City Proper District. Zamora Street is widely used in the City Proper District by merchants, students, tourists and employees from both the public and private sectors.

In view of the foregoing, I highly recommend the approval of this bill.
