HOUSE BILL NO. 1763

Introduced by Hon. Julianne L. Baronda

EXPLANATORY NOTE

This bill seeks to convert **Jalandoni Street** in Iloilo City, presently classified as a local city road, into a national road.

The road spans a total length of 906.6 linear meters and is located at the City Proper District of Iloilo City. The road is used as an access route to several tourist facilities, including the Fine Rock Hotel and the Regatta Hotel. It is also used as an access route to medical centers such as the St. Therese Hospital and St. Paul's Hospital. The road is also used to access religious institutions such as the San Agustin Church, the Assumption Convent and the Iglesia Filipina Independencia Church. The conversion of the street into a national road will empower the Department of Public Works and Highways (DPWH) to ensure the maintenance of this key Iloilo City thoroughfare.

In view of the foregoing, I highly recommend the approval of this bill.
