HOUSE BILL NO. 1767

Introduced by Hon. Julianne L. Baronda

EXPLANATORY NOTE

This bill seeks to convert **CUARTERO STREET** in Iloilo City, presently classified as a local city road, into a national road.

Cuatero Street spans a total length of 1,023 meters. It is located in Jaro District of Iloilo City. The street is a vital thoroughfare that serves as a major road used by motorists and commuters to access key city destinations, such as schools, churches, and two SM malls (SM City in Mandurriao District and SM Jaro District). Considering the road's vital importance to my constituents, its conversion to a national road is a must for its maintenance in order for the road to continue to serve as a vital street in Iloilo City.

In view of the foregoing, I highly recommend the approval of this bill.
