HOUSE BILL NO. 1777

Introduced by **REPRESENTATIVES EDDIEBONG G. PLAZA** and
ALFEL M. BASCUG

Explanatory Note

Republic Act No. 7160, otherwise known as the “Local Government Code of 1991” recognizes the vital role of barangays in nation-building. As the primary planning and implementing units of government policies, plans, programs, projects and activities at the community level, barangays are crucial forums where community views are expressed, considered, and disputes are amicably settled.

Given their immediate and direct access to the needs of the people, barangay local government units are vital bridges for enhancing the delivery of essential services at the grassroots level. It is therefore important to empower barangays so they can become more effective and efficient partners in building self-reliant and progressive communities.

Barangay Ilang-ilang is a special barangay in the Municipality of Loreto. At present, it relies heavily on financial assistance and availability of funds from the municipal government. This dependency limits its ability to implement its own development programs and exercise self-determination.

This measure seeks to establish Barangay Ilang-ilang as a regular and independent barangay, capable of exercising local governance and addressing the needs of its constituents.

In view of the foregoing, the approval of this bill is earnestly sought.
