House Bill No. **2160**

EXPLANATORY NOTE

Republic Act No. 10654, which amended Republic Act No. 8550, otherwise known as "The Philippine Fisheries Code of 1998" provides that "Except in cases specified under this Code, it shall also be unlawful for any commercial fishing vessel to fish in municipal waters."

Unfortunately, intrusion of commercial fishing vessels within municipal waters remains prevalent and unabated specially at night. There is also a problem in the implementation of vessel monitoring measures as mandated by RA 10654 for commercial fishing vessels.

Hence, this bill which seeks to address this problem that leaves local fishermen at the mercy of commercial fishing vessels.

In view of the foregoing, the immediate approval of this measure is earnestly requested.
