

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

TWENTIETH CONGRESS
First Regular Session

House Bill No. 2361

Introduced by
Honorable Nelson S. Legacion
Representative, 3rd District, Camarines Sur

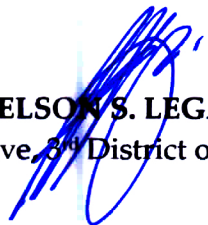

EXPLANATORY NOTE

While a road section of Queborac, Brgy. Bagumbayan Sur, in Naga City, has already seen widening and improvement works since the early part of 2025, that parties from crossing of Bagumbayan Sur up to the Boundary of Naga City and Camaligan, Camarines Sur, consisting of only one (1) kilometer distance, is not yet a nationally declared road. It remains under local jurisdiction for maintenance and funding.

Notably, another related route – commonly called the Haring-Dugcal-Sua Road, which connects the Municipality of Canaman to neighboring Camaligan town via Queborac and Bagumbayan Sur in Naga City –was proposed as a national secondary road under House Bill 1022 in 2010; but as of date, the bill has yet to be enacted into law, which leaves the Queborac-Camaligan Road beyond the ambit of the national highway network.

Considering the importance of the Queborac-Camaligan Road in terms of a more convenient conveyance of commuters, business and products between Naga City and Camaligan, as well as the other affected adjoining towns and barangays in between

within the Third Congressional District of Camarines Sur, approval of this bill is earnestly sought.
