HOUSE BILL NO. 2532

Introduced by **REPRESENTATIVE AUDREY KAY T. ZUBIRI**

AN ACT
ESTABLISHING A SATELLITE OFFICE OF THE LAND TRANSPORTATION
OFFICE (LTO) IN THE MUNICIPALITY OF QUEZON, PROVINCE OF BUKIDNON
AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

The Land Transportation Office (LTO) plays a vital role in regulating and facilitating land transport services, ensuring road safety, and providing essential services such as the issuance of licenses, registration of motor vehicles, and enforcement of transportation laws. However, access to these services remains limited in certain areas, particularly in geographically isolated or underserved municipalities.

In the Province of Bukidnon, there are existing LTO offices in Malaybalay City and the Municipality of Maramag which currently serve a broad area, including Quezon. However, these offices are increasingly overwhelmed and can no longer adequately accommodate the growing number of LTO clients from surrounding localities. This situation not only hampers mobility but also affects productivity and access to government services.

The Municipality of Quezon with its strategic location, growing population and increasing vehicle volume supports the viability of establishing an LTO District Office. Through this proposed bill, establishing an LTO satellite office in Quezon will help decongest the existing offices in Malaybalay City and the Municipality of Maramag, while significantly improving service delivery to residents of Quezon and nearby municipalities.

The establishment of an LTO Satellite Office in Quezon will enhance public access to essential government services, reduce travel time and expenses for residents, and promote regional growth and development.

In view of the foregoing, the immediate passage of this measure is earnestly sought.

AUDREY KAY T. ZUBIRI
Representative, 3rd District of Bukidnon
